

Smoking Policy Disclosure

Address of premises:

“Smoking” is defined as carrying, inhaling, exhaling, burning or handling of any kind of lighted pipe, cigar, cigarette, or any other lighted smoking equipment containing any burning substance or product including tobacco, that is intended for human consumption by means of inhaling the smoke therefrom.

Tenant and all persons on the premises with the consent of tenants or under tenants control shall comply with the smoking policy as set out below.

- Smoking is prohibited inside the house.
- Smoking is permitted in limited areas on the premises as follow:

Outside the dwelling, more than 25 feet from front door, back door, sliding glass door, windows that open and ventilation intakes that serves as an enclosed area, so as to ensure that smoke does not enter through front door, back door, sliding glass door, windows that open and ventilation intakes or other means.
